

## ABOUT US

We serve the mental health care needs of students, faculty, and staff. Many experience life events or academic pressures that leave them feeling anxious, confused, lonely, angry, depressed or overwhelmed. When those feelings persist for more than just a few days, it is often helpful to speak with an unbiased, objective professional. Any personal issue that is troubling may be discussed in counseling.

### OFFICE HOURS

Counseling services are available for students, faculty, and staff.

**Monday - Friday  
9:00am-8:00pm**

To schedule an appointment please use this link -

<https://auamed.medicatconnect.com>
